

## DRIVER'S EDUCATION FEE WAIVER

Dear Parent/Guardian,

Your child may be eligible for a waiver of the fee for Driver Education instruction. If your child is participating in the free and reduced-price lunch program at school, please complete and sign this release of information form. **By checking the "Yes" box, the Child Nutrition Department will verify whether your child is eligible for free or reduced-price meals; eligibility for free or reduced-price meals may qualify your child for reduced fees for driver's education.**

We must have your permission to use the information you shared on your application for free or reduced-price meals. Sending this form will not change whether your child/children get free or reduced-price meals.

Please fill out this form and return it, along with a completed Driver Education registration form, to the Driver Education Lead Teacher at the school your student will be attending the class. **Please do not bring this waiver to student nutrition as you will be further directed to the Lead Teacher at your student's school.**

*Verification of eligibility status could take up to 1 month. Waiver must be approved prior to the first day of class in order for the fee to be waived.*

**YES.**

**I do** want school officials to share information obtained from my free and reduced-price lunch program application to reduce my child's classroom fee for Driver's Education.
