Frequently Asked Questions

-Where do I submit my registration form? To submit your registration form, email the completed form to the Lead Teacher of your first-choice school. Lead Teacher's email addresses are on the back side of this registration form and available on our website. If you do not have computer access, you must drop it off at the designated location at your first-choice school.

-When will I be notified of my class assignment? A Lead Teacher will notify you of your class assignment by email, phone call, or postcard a few weeks before the class is scheduled to start.

-When do I pay the \$65 Driver Education fee? Once a Lead Teacher has contacted you in regards to the class you are assigned to, you then will be instructed to make the payment. Making a payment before being assigned to a class will not guarantee you a seat in the class and will result in a refund.

-How do I register for behind the wheel? You are registering for the classroom portion of Driver Education. Behind the wheel is normally 3-4 days after school, depending on the instructor's schedule. There is no registration for the behind the wheel portion. It is an automatic process. Once the student has successfully completed the classroom portion, they are automatically assigned out to a behind the wheel instructor when their class is due to be driven.

Regulations:

1. In the State of North Carolina, there is a \$65 fee to enroll in Driver Education class. This fee, paid by parents, covers only the classroom portion of Driver Education. To see if you are eligible for a Driver Education fee waiver, refer to the Jordan Driving School website. In the State of North Carolina, the behind the wheel portion is subsidized and is offered to students enrolled in Wake County Schools at no charge one time. There will be no refunds given for students who take a seat in class and dropout or fail.
2. Once you are assigned to a class, the Driver Education fee must be paid to confirm your seat. If you choose the WCPSS online payment method, an email is sent from the WCPSS credit card terminal to the email address you registered when making the payment. This receipt, from Online School Payments, must be sent to the Lead Teacher to confirm your payment. If you choose to pay by cash or money order directly to the JDS Office, an email is sent to the Lead Teacher to confirm payment. Online payment is preferred. We also accept cash and money orders. Personal checks are not accepted.
3. You must be on time and attend every day of class. Failure to comply with attendance standards will result in an automatic failure. Do not register for a class if you have a schedule conflict with the dates of the class. If you fail the class because of attendance, you are required to retake the class and pay the \$65 fee again.
4. Students should bring pencils, paper and bag lunch daily to class. Students should bring a photocopy of their birth certificate on the first day of class for DMV age verification.
5. Students must provide your own transportation to and from driver education class.
6. All students must follow WCPSS guidelines. Failure to comply with these guidelines will result in dismissal from class. Any student dismissed for disciplinary reasons will not be allowed to retake driver education through Wake County Public School System.
