

DRIVER'S EDUCATION FEE WAIVER

Dear Parent/Guardian,

Your child may be eligible for a waiver of the fee for Driver Education instruction. If your child is participating in the free and reduced-price lunch program in Wake County Public School System at school, please complete and sign this release of information form. **By checking the "Yes" box, the Child Nutrition Department will verify whether your child is eligible for free or reduced-price meals; eligibility for free or reduced-price meals may qualify your child for reduced fees for driver's education.** We must have your permission to use the information you shared on your application for free or reduced-price meals. Sending this form will not change whether your child/children get free or reduced-price meals.

Step 1: Go to JordanDriving.com and register the student for a driver ed class. This is now done online. When you register, DO NOT make payment, it will allow you to still register without this step.

Step 2: Once the student is registered for a class, complete this form, and email it directly to the Lead Teacher at the high school where the student will be attending the class. A list of Lead Teachers is available on the Jordan Driving School website. **Please do not bring this waiver to student nutrition or the high school as you will be further directed to the Lead Teacher at your student's school.**

Verification of eligibility status could take up to 1 month. Waiver must be approved prior to the first day of class in order for the fee to be waived.

☐ **YES.**

I do want school officials to share information obtained from my free and reduced-price lunch program application to reduce my child's classroom fee for Driver's Education.
