Frequently Asked Questions

-Where do I submit my registration form? Home School forms should be emailed to Linda St. Clair at wakecountydriversed@gmail.com.

-When will I be notified of my class assignment? You will receive an email about two weeks prior to class.

-When do I pay the \$65 Driver Education fee? Do not pay until the Lead Teacher has instructed you to do so. Once a Lead Teacher has contacted you in regards to the class you are assigned to, you then will be instructed to make the payment. Making a payment before being assigned to a class will not guarantee you a seat in the class and will result in a refund.

-How do I register for behind the wheel? You are registering for the classroom portion of Driver Education. Behind the wheel is normally 3-4 days after school, depending on the instructor's schedule. There is no registration for the behind the wheel portion. It is an automatic process. Once the student has successfully completed the classroom portion, they are automatically assigned out to a behind the wheel instructor when their class is due to be driven.

Regulations:

- 1. In the State of North Carolina, there is a \$65 fee to enroll in Driver Education class. This fee, paid by parents, covers only the classroom portion of Driver Education. To see if you are eligible for a Driver Education fee waiver, refer to the Jordan Driving School website. In the State of North Carolina, the behind the wheel portion is subsidized and is offered once at no charge to students enrolled in Wake County Schools. There will be no refunds given for students who take a seat in class and dropout or fail.
2. Once you are assigned to a class, the Driver Education fee must be paid to confirm your seat in the class. Online payment is our preferred method of payment. If you choose the WCPSS online payment method, a notification email is sent from the Wake County School's credit card terminal to you and the Lead Teacher once you have successfully completed the payment. An alternate method of paying your Driver Education fee is by submitting cash or a money order to the JDS Office. If you choose to pay the JDS Office directly, an email is sent to the Lead Teacher to confirm payment once we have received the payment. Personal checks are not accepted.
3. You must be on time and attend every day of class. Failure to comply with attendance standards will result in an automatic failure. Do not register for a class if you have a schedule conflict with the dates of the class. If you fail the class because of attendance, you are required to retake the class and pay the \$65 fee again.
4. You should bring pencils, paper, and a copy of your birth certificate to class. Bring a photocopy of your birth certificate on the first day of class. For virtual classes, teachers will send email with what is required to take this course.
5. You must provide your own transportation to and from Driver Education class.
6. All students must follow WCPSS guidelines. Failure to comply with these guidelines will result in dismissal from class. Any student dismissed for disciplinary reasons will not be allowed to retake driver education through Wake County Public School System.
7. During remotely classroom sessions, all participants must be visible via camera, students, and teachers alike. Names must be recognizable so that attendance can be monitored, and proper classroom interaction can occur. These requirements are necessary to provide instructional integrity.
8. Students must follow all COVID19 safety guidelines.
