**Summer Registration Period: April 4-15, 2022.** Students are assigned to a class based on age, oldest to youngest. You must submit your registration form by email to the Lead Teacher. If you graduated in 2022 school year, you are NOT eligible for a summer 2022 class. Registrations forms will still be accepted after April 15<sup>th</sup> until all classes are full. Check website for availability after April 15<sup>th</sup> before submitting.

**From the list of summer classes on the website, pick three different weeks from the public high school you attend or will attend in the fall and indicate in the spaces below. Private Christian, Charter and Home School students will need to check the website for summer classes being offered to them. All other students should choose their "base" public high school if classes are not offered at the school they attend. Students will NOT be allowed to take the classroom at any location other than the assigned location stated above or indicated on the website. Students will only be assigned to one class. You must be 14 years and 6 months by the first day of class to register, live in Wake County and attend a high school in Wake County.**

**Frequently Asked Questions**

**-Where do I submit my registration form?** Email your registration form to the Lead Teacher at the high school you are registering to take the class at. Lead Teacher's email addresses are on the back side of this registration form and available on our website at JordanDriving.com.

**-When do I pay the \$65 Driver Education fee?** Once a Lead Teacher has contacted you in regards to the class you are assigned to, you then will be instructed to make the payment to confirm your seat into the class. Making a payment before being assigned to a class will not guarantee you a seat in the class and will result in a refund.

**-When will I be notified of my class assignment?** A Lead Teacher will notify you of your class assignment by email a few weeks before the class is scheduled to start. We will begin notifying students in May who were assigned to June classes.

**-How do I register for behind the wheel?** There is no registration for the behind the wheel portion. It is an automatic process. Once the student has successfully completed the classroom portion, they are automatically assigned out to a behind the wheel instructor when their class is due to be driven. Students are driven in the order of which they take the class and within each class oldest to youngest. Behind the wheel is normally 3-4 days in a row, depending on the instructor's schedule.

**Regulations:**

- In the State of North Carolina, there is a \$65 fee to enroll in Driver Education class. This fee, paid by parents, covers only the classroom portion of Driver Education. To see if you are eligible for a Driver Education fee waiver, refer to the Jordan Driving School website. In the State of North Carolina, the behind the wheel portion is subsidized and is offered once at no charge to students enrolled in Wake County Schools. There will be no refunds given for students who take a seat in class and dropout or fail.
- Once you are assigned to a class, the Driver Education fee must be paid to confirm your seat in the class. Online payment is our preferred method of payment. If you choose the WCPSS online payment method, a notification email is sent from the Wake County School's credit card terminal to you and the Lead Teacher once you have successfully completed the payment. An alternate method of paying your Driver Education fee is by submitting cash or a money order to the JDS Office. If you choose to pay the JDS Office directly, an email is sent to the Lead Teacher to confirm payment once we have received the payment. Personal checks are not accepted.
- You must be on time and attend every day of class. Failure to comply with attendance standards will result in an automatic failure. Do not register for a class if you have a schedule conflict with the dates of the class. If you fail the class because of attendance, you are required retake the class and pay the \$65 fee again.
- For in-person classes you should bring pencils, paper, and a copy of your birth certificate to class. Bring a photocopy of your birth certificate on the first day of class. You must provide your own transportation to and from Driver Education class
- All students must follow WCPSS guidelines including those for online instruction. Failure to comply with these guidelines will result in dismissal from class. Any student dismissed for disciplinary reasons will not be allowed to retake driver education through WCPSS.
- During virtual classroom sessions, **all participants must be visible via camera**, students, and teachers alike. Names must be recognizable so that attendance can be monitored, and proper classroom interaction can occur. These requirements are necessary to provide instructional integrity.
- Students must follow all COVID19 safety guidelines.
